2 Days: Temples, Tastes and Tonle Sap.

Day 1 Welcome to Siem Reap! | Angkor Wat | Angkor Thom | Phare Circus

Day 2 Cambodian Country Markets | Tonle Sap Lake

Day 1: Wonders of Angkor | Phare Circus

In the morning, after breakfast, we visit the world heritage Angkor Archaeological Park, stopping first to pick up your Angkor Pass at the government ticket office. From here we begin! Driving down the tree lined road, with monkeys cavorting along the side, you catch your first sight of the world's largest religious monument. Wander from your vehicle, iced bottled water in hand, across the original bridge that spans the water lily filled moat. Take your time, climb to the top, or engross yourself in the carvings made by the local monks and the builders of this breathtaking structure.

When you are ready, we'll continue on through the South Gate of Angkor Thom the last capital of the Khmer empire, and at the time the world's largest with over 1 million people living here. Then we continue on to visit the Bayon Temple, with its over 200 carved smiling faces greeting you. Known as the famous Smile of Angkor.

While here we traverse the Terrace of the Elephants and the Terrace of the Leper King. Journey into the depths of Ta Prohm, made famous in the movie "Tomb Raider", the temple is engulfed by towering trees growing, quite literally, from within their walls.

In the evening, enjoy the world famous Phare Circus. More than a circus, Phare is uniquely Cambodian and daringly modern. Using theater, dance, music and modern arts, performers tell Cambodian stories, new and

traditional. These performers come from some of the most difficult social and economic backgrounds. World renowned, this circus is rated the number 1 attraction in Siem Reap after the temples. The show starts at 8pm and runs for an hour. Dinner may be purchased at the on-site restaurant, or return to town to dine there.

Day 2: Cambodian Markets and Tonle Sap

Visit the local Cambodian markets outside of Siem Reap and learn about Cambodian foods from the fully qualified English speaking chef. Enjoy an oxen cart ride into the village through the rice paddies. Then, with your chef helping and guiding you, cook yourself a Cambodian feast.

After lunch we travel to Tonle Sap, South East Asia's largest fresh water lake. The waters size and volume vary significantly throughout the year, depending on whether it is the wet or dry season. Take a boat along the lake and see many of the floating villages and people who call the lake home.
